Final Reports On Incorporation Set for New Year

Presentation of the final analysis of all facts uncovered regarding proposed changes in Lemon Grove's political status will be postponed until after the holiday season it was decided at a meeting of the Fact-Finding Board Monday night.

In other business accomplished at the session, it was agreed to hold the next public meeting of the Investigating Committee within the 60 day limit as suggested at the last public meeting, September 25. While the actual date of this meeting was not determined, it was decided to present another progress report of the Fact-Finding group and an official from the City of San Diego to discuss the feelings of that community to this area.

This latter decision was precipitated by a suggestion from Mr. Alpert, a member of the group, that further investigation of the proposal to annex to San Diego be dropped. "Inasmuch as conversations between members of this committee and San Diego officials have disclosed the intention to oppose annexation (of Lemon Grove to San Diego) perhaps we should discontinue further study of that possibility."

Chairman John Dail wisely pointed out that it was not the duty of the Fact-Finding group to decide whether or not to drop a subject since it had been assigned the tasks by the citizens of Lemon Grove. "If such a decision was to be made, it would have to be at a public meeting," Dail said.

While choice of the speaker was not designated it was mentioned at the meeting that he would be expected to clarify certain generalities to the public.

An interesting discussion period followed th's decision regarding the purpose of the committee.

Col. James Frenn recommended to the group that simultaneously with presentation of the final report, a recommendation "must be made" to the public on one of the alternatives.

Although it had never before been determined whether or not the group was to weigh the facts as well as analyze them, it is now evident that the people of Lemon Grove will ultimately decide what to do with the facts when they are presented.

Another meeting of the Fact-Finding Board will be held November 10 in order to prepare the progress report for the open meeting.

Wigton's and Lanes To Hold Dual Openings

Friday, the thirtieth, has been definitely set as the opening date for Wigton's new women's apparel shop and Lane's new shoe store. They will occupy side-by-side locations on Broadway in the area of Wigton's former site.

Both enterprises will offer opening week gifts and prizes. Lane has set up a bicycle, a man's suit and a set of table silver as drawing prizes. Wigton's will give every woman a permanent fall corsage who comes into their new shop.

Since Lane is occupying Wigton's former location, they are moving in unison and holding the opening in concert.

This development completely fills the area south of Broadway between Main and Olive Streets. The parking area next to Wigton's will be left for that purpose.

Roy Lane, earlier this month, named Ray Purtee as manager of the new shoe store. Mrs. Wigton said that their new shop would be highly departmentalized. A greater array of dressy dresses and formals and a foundation and lingerie department will be some of the features.

Review Publisher Wants To Buy A House

The publisher of the Review, Max Goodwin ,is seeking a house.

He is not seeking a $15,000 home for $10,000 nor is he about to go $15,000 for a vice versa.

If you have a fair two or three bedroom house in a fair location, at a fair total price and fair down payment call him at H6-1168.

Bonded Capacity Dictates State School Aid

At a meeting held Friday, October 10, at the San Miguel School, many facts regarding unification of the Lemon Grove School District were clarified. The fact that Lemon Grove will be bonded to capacity, whether we remain a part of the Grossmont High School or become a unified school district was established. It was als determined that we must reach bonding capacity before we are eligible for State aid for building programs. In general, the people attending the meeting were of the opinion that such circumstances warranted their support of the unification program.

ORGANIZATION FAVOR UNIFICATION

The Lemon Grove Kiwanis Club at a director's meeting October 8 uanimously approved Lemon Grove's proposal for unification. According to James Pearce, one of Lemon Grove's leading Real Estate brokers, the Lemon Grove Lions Club, at their general meeting held October 9 also were unanimous in their approval of unification. At the August meeting of the Citizens Advisory Council, composed of representatives of civic, religious and service clubs, a resolution was passed favoring unification by a vote of 12 to 2.

Mr. V. J. Dorman, member of the Lemon Grove District School Board, gave a very comprehensive explanation of the effect of unification upon bonded indebtedness. Asked if further bond ng would increase the individual bond assessment for each property owner, Dorman stated that because of increase in business establishments and construction of new homes, while they increased our bonded capacity by raising out total assessed valuation, would not increase the individual's assessment. Mr. Dorman emphasized the urgent need for immed ate planning.

PETITIONS TERMED MISLEADING

Dr. Frank Gigliotti stated that just recently he had signed a petition, calling for delay in unification procedures in the La Mesa-Spring Valley district. However, upon digging into the facts, he found that he had made a mistake in that the effect of the petition upon the Lemon Grove proposal might postpone action by the State Board of Education for an indefinite time. Further clarification indicated that postponement would in effect entitle the Grossmont district to use Lemon Grove children for state building priority. This priority would be used, according to the Grossmont Board's present building plan, to construct a high school in the El Cajon area.

Forrest Baxter, president of the Lemon Grove Chamber of Commerce stated that by signing the petition now being circulated by those in favor of delay, citizens are losing their right to vote on the question of unification.

Luther Hussey, newly-elected Justice of the Homeland Township, said that he had great faith in the members of the school board and administrators and felt that they had presented a true and accurate picture of the facts concerning the unification proposal.

Lawrence Herder, member of the school board stated that transportation costs in this district were much lower than in other schools in this area.

Ray Jackson, 3974 Charles St., Vista La Mesa, who had signed the Grossmont petition wanted to know how he could have his name removed.

Edward Kinyon, stated that it would be an impossibility to change the school district boundaries of portions of Vista La Mesa after unification took place, and was told by Mr. Dorman that "on the contrary, boundary changes would be easier after unification."

Since the Citizens Advisory Committee has endorsed the unification proposal, John Dail, chairman of the committee, said the chairman would defend the decisions made by the committee. Opposition to Lemon Grove's proposal was misleading he said since direct opposition is being pointed at La Mesa but would indefinitely postpone of the Grove issue.

The meeting was attended by approximately 100 people. Some of the interested citizens who requested information were Mr. J. Gaskins, Mr. John Campbell, Mrs. A. R. Rettke, Mrs. H. L. Bowers, Mrs. H. Irving Vernier and Mrs Emily Morse. Also Mr. Felix Kallis, Mr. and Mrs. R. E. Issott, Mrs. Marjorie Hopper and Mr. Arthur Meyer. Satisfactory answers were given to all questions. Comment on these specific questions will be given in future issues of the Lemon Grove Review.

WHEN ITS BLACKTOP TIME ON BROADWAY

It looks like all interested parties approve the laying of the new asphalt strip which was underwritten by local businessmen on both sides of Broadway east of Imperial.

The fire department, as a community service, spent many after-duty hours hosing down the area so that the asphalt could be applied.

Squatting is fireman Ed Bolieu and property owner George Casteel who initiated the project.

Fireman Joe White, fire chief Ray Carmody, Luther Hussey, Grove attorney who did the "leg work" and Darlene Tritthardt, is the standing group.

Darlene is attempting to get Lemon Grove to support her in the race for queen of the Mother Goose parade scheduled at El Cajon November 23rd.

Mrs. Spear to Address Business Women's League

Mrs. Lawrence Spear of the Women Voter's League will speak at the Business Women's League's next luncheon meeting at the Youth Center at 1:00 p. m. Thursday, October 23rd. Mrs. Spear will speak on the propositions to be presented to the voters on the November 4 ballot. In a non-partisan manner she will acquaint the Business Women with the arguments for and against each ballot measure. The luncheon will be served by a committee consisting of Mrs. Wayne Johnson, Chairman, Mrs. Randolph Morse, Mrs. Art Chappelle, and Mrs. Paul Hendricks.

The Harvest Ball held last Sunday night at Casper's Ranch Club was a huge success with n'nety-four members and guests present. The decorations committee are to be complimented on the effectiveness with which they carried out the fall and harvest motif with autumn leaves, herns of plenty, farmer dolls, and outstanding bouquet of painted wild artichokes.

Annual Photography Show Getting Ready

The Sixth Annual Salon of Photography, sponsored by the La Jolla Camera Club, will be exhibited at the Art Center in La Jolla Nov. 4 through Nov. 30. This photographic salon, which is open to the public, is the only one in San Diego County to become an established annual event and is open for entry by any member of any camera club located in the county.

Each year the prints reveal the progress and growth in technical and artistic knowledge of their makers and the increase in number of entries show a growing enthusiasm and interest among photographers.

Mrs. Emmett Beebe, H6-9317, chairman of the Golden Circle Reading Room and Bible Gift Shop is taking orders for the New Revised Version of the Bible either in the complete Bible size or the New and Old Testament.

Grove Leaders Named In Red Feather Drive

A squad of civic leaders this week began taking time from other pressing duties to start the annual round-up of sometimes-elusive contributions for the Red Feather Fund Drive.

Headed by William "Art" Thomas, the drive is designed to cover as many Grove areas as the somewhat limited personnel volunteers permit.

Thomas, who is principal of Monterey Heights school, has lined up an impressive group of civic and service organizations to share the responsibility of covering the Grove area. Among this group are the Kiwanis, Lions, Jr. and Sr. Women's Clubs, Business Women's League and the Girl Scouts. The Monterey Heights Lutheran Church, St. John of the Cross, Trinity Presbyterian Church and the First Congregational Church are each assuming responsibility in making the drive successful.

The Lemon Grove Chamber of Commerce, at its regular monthly meeting passed a resolution placing the Chamber actively in the campaign. All members were urged by president Forrest Baxter to give time as well as contributions to the drive.

There are 56 agencies and the USO which share in the benefits of the Fund. This year, because of population increases, greater needs, and higher costs, the total goal has been set 23% higher than last year.

Whether contributions are made at home or at work, all citizens of the community are asked to make as generous a gift as possible. The Community Chest serves in many ways of which many of us are not aware. Youth organizations such as Boy Scouts and Girl Scouts receive considerable support from the Fund. Less well known are the services rendered by nursing, medical and family counseling agencies. The aid given to crippled, convalescent and dependent children is of a nature that can't be measured in terms of money alone.

Local groups and their leaders who are actively participating are:

Mildred Huebsch, Business Women; Carol Davy, M. H. Girl Scouts; J. E. Sanders, Lions Club; Dorothy D. Boltz, St. John of the Cross; Elizabeth F. Robarts, Business Women's League; Rev. John R. Chandler, Kiwanis Club; W. LeRoy Elster, Lutheran Church.

FRANCIS J. LYNCH, S. F. policeman, describing strip-tease routine to jury—"A 'grind' is sort of like the girl is trying to get into a girdle with musical accompaniment."

Notice To Kiwani-Annes

We have a very interesting program at our next meeting.

The date October 20th.

The place, Mrs. Luther Hussey, 7898½ Broadway, Lemon Grove.

The Program, A certified gemologist, Miss Maxine Scott.

The topic, A talk on San Diego County Gems. She can tell you where to find them and all about them.

The time, 8:00 p. m.

The hostesses, Mrs. Geo. Brassinton and Mrs. H. Russell.

Let's have a real good turn out.

Petitions Would Delay Unification

Petitions are being circulated requesting the state board of education to postpone action on the proposal for unification of the La Mesa-Spring Valley School District until state funds are definiately available to provide needed high school facilities for the remainder of the district.

Grossmont Supt. Lewis Smith stated that the purpose of the petitions are clearly to prevent Lemon Grove and the eastern portion of the high school district from losing Grossmont and Helix High Schools without means for replacing them.

Proposition 24, if approved by the voters at the November election, would assure funds for construction of needed facilities. "The 'if' should be a certainty before a vote is scheduled by the State Board for La Mesa-Spring Valley proposal," Smith said.

Delay by the state board as requested by the petition, would probably postpone an election until after July 1, 1953. This would in turn postpone actual unification until July 1, 1954.

Girl Scouts Troop 96 Elect Sharon Fields

Troop 96 held their regular meeting recently at Friendship Hall. Sharon Fields, newly elected vice president of the Jr. High Encampment Girl Planning Board gave a report of the meeting held last week at Balboa Park. Miss Dudie West was present to get the girls started on their outdoor activities.

Mrs. Baxter, Gayeska and Olsen enjoyed folk dancing and singing with the troop.

Col. Mylon D. Merchant, pastor of the Amherst Congregational Church, 70th and El Cajon, will be the guest pastor of the Lemon Grove Congregational Church at the 8 o'clock service Sunday, The 9:15 and 11:00 o'clock services will be conducted by Mr. George Thomas, chairman of the Race Relations Board of the Los Angeles Congregational Conference. Both are very well known in this area and it is a privilege to have them in our pulpit.

School Carnival to Attract 1500 Kids

The annual Hallowe'en Carnival will be staged again this year at the Lemon Grove School grounds, with the Intermediate School, Golden Avenue School, and San Miguel School P. T. A.'s sponsoring the event. Approximately 1500 pupils from the three schools will enjoy the evening's festivities which begin at 5:30 on October 31. High light of the evening will be a colorful costume parade of children from kindergarten through the eighth grade. Prizes are to be awarded for the most original costume, the funniest costume, etc.

Among the attractions at the carnival for both children and adults will be pony rides, a ball throw booth, water pistol booth, photo booth, 2 fun houses, movies, a country store, and also taco, hamburger, hot dog, snow cone, chili, ice cream, cold drinks, coffee and cake, homemade candy, and peanut booths. The carnival will also feature a white elephant booth, comic book booth, a fish pond, and a T-shirt booth. This wide variety of entertainment should provide fun for everyone who attends.

Script for the purchase of items will be sold at three special booths. Donations have been received from the many merchants and others in the community who so generously support the school carnival each year.

Thomas Brogan, teacher at the Intermediate School is general chairman for the P. T. A. carnival ,with Mrs. Carl Planchon, co-chairman. Gordon Briedenthal, intermediate school teacher, will act as master of ceremonies for the parade, Don Wilder will care for special wiring, William Lemke, sixth grade teacher, is in charge of the parade, and Ted Magnusson will head the special work party to construct booths the weekend preceding the carnival.

More Horsepower In '53 Kaiser Shown At Johnson-Holaday Opening

The 1953 Kaiser will be introduced this week to Lemon Grove simultaneous with unveilings across the nation. Improved performance and extensive styling changes throughout will be among the features.

In Lemon Grove, the showing will be in connection with the opening of Johnson-Holaday Kaiser-Frazer Motors at 7630 Broadway.

Unchanged in the new Deluxe and Manhattan models is the basic Kaiser body styling which has won an unprecedented number of international styling awards in the last two years.

However, in the 1953 models the sweeping front-to-rear body lines have been given new emphasis with the addition of chrome moldings below the side and rear windows and on the rear fenders, new chrome headlight bezels, and a broad new hood ornament modeled after the swept-back wing design of the Sabre Jet fighter.

Higher torque and horsepower ratings, achieved without sacrifice of fuel economy, are new engine features. The horsepower of the high-compression, six-cylinder Kaiser engine has been stepped up from 115 to 120, with a new torque rating of 200 foot pounds at 1800 r.p.m.

Providing smoother and more powerful acceleration, the new engine performance has been accomplished by a new manifold, muffler and exhaust assembly which improves the flow of the fuel-air mixture to the combustion chambers, and minimizes back pressure in the elimination of exhaust gases.

Acting swiftly, a group of civic leaders met Friday evening to plan a course of action protesting the circulation of a petition within this school district requesting the State Board of Education to postpone action on the school unification proposal recommended by the County Committee on School District Organization.

Indignation stemmed from the fact that most of the men present at the meeting had mistakenly signed the petition without realizing its far reaching effect. As stated by one man present at this meeting, "We did not realize that if the State Board of Education postponed its approval at the October meeting the matter of unification of the Lemon Grove School District could not be brought before the voters for another year and would necessitate another complete study." Another stated that the petition was couched in very general terms . . . "We did not realize that it would, in effect, nullify the proposal to unify the school district."

It was unanimously agreed that the school board had acted in the best interests of the pupils of the school district in calling for a study of unification by the County Committee and, since the County Committee had unanimously recommended that the unification proposal be submitted to the State Board of Education, it was wrong to deny the voters of Lemon Grove an opprtunity to vote on this proposal. It was also pointed out that the results of Proposition 2 and Proposition 24 on the November ballot would be known before the people of this school district would be asked vote on unification, thus assuring ample time for the people to determine whether they favor unification, and whether State funds would be sufficient to operate as a unified school district and to provide the necessary High School buildings.

Those present agreed that since they had signed this misleading petition without fully realizing its effect, undoubtedly other people in the community had been similarly confused. A committee was when formed with Dr. Frank Gigliotti as chairman and Judge Luther Hussey as secretary, for the purpose of informing other residents as to the intent of the "postponement petition" and to make sure that the misleading effect of this petition is called to the attention of the State Board of Education.

Others present at this meeting were Forest Baxter, James Pearce, Jack Sanders, Vroman Dorman and Lawrence Herder.

A previous meeting at which the same issues were discussed was attended by A. F. Sonka, George Casteel, Harry Monell, Bruce Harms, Rev. W. L. Elster, Mrs. Stephen Westover, and Chan Mason.

At this meeting it was reported that the Lemon Grove Lion's Club and the Kiwanis Club had unanimously passed resolutions endorsing the Unification of the School District and requesting the State Board of Education to take favorable action now on this proposal.

"Thanx" Group Wraps And Mails For Men in Korea

The Lemon Grove chapter of "Thanx" expresses appreciation for the many contributions made by local residents.

The boys in Korea, they are still in need of razor blades, playing cards ,soap, tooth paste, candy and cookies.

All packages mailed by November 1st will arrive in Korea by Xmas, according to the group.

Thanx wraps and affixes stamps for any club or group. More information is available by calling H6-8492.

Slides To Be Shown Next Friday

Miss Mary Vivian Conway, will show colored slides and give a commentary on South America at the meeting of the Lemon Grove Woman's Club October 24, 1:30 p. m. Hostesses for the tea hour will be Mesdames Ted Haaf, Ray McGraw, George Neitman and Lawrence Barrows. Mrs. R. B. Hayhurst will give a talk on Chrysanthemums for the Garden section at the meeting which will be held November 3, 2 p. m. instead of the regular date which would be on the 4th, and has been changed on account of the election.

The Junior Hi students who are members of the Pilgrim Fellowship are sponsoring a Hobby Show in Friendship Hall Saturday, Oct. 11, at 7:30. The Hobby display is not limited to the young people ,anyone can enter his hobby.

by Max Goodwin

"Get out the vote this year—and we'll win by a landslide!"

So trumpets the Republican Elephant.

So brays the Democratic Donkey.

And each, in his wishful thinking, makes out a case!

The Democratic vote has been falling—from 27.2 million in 1940 to 24.1 million in 1948, for a loss of 3.1 million. So the Donkey argues that most stay-at-homes in '48 were Demos—and a big turnout will bring them to the polls and assure a sweep.

The Eelephant retorts that those figures prove the Donkey is slipping from public favor — and points out that the GOP vote has held almost steady, dropping by only 400,000 in the 1940-48 period, from 22.3 million to 21.9 million. This, insists the Elephant, proves the tide is turning and a heavy vote will restore him to power.

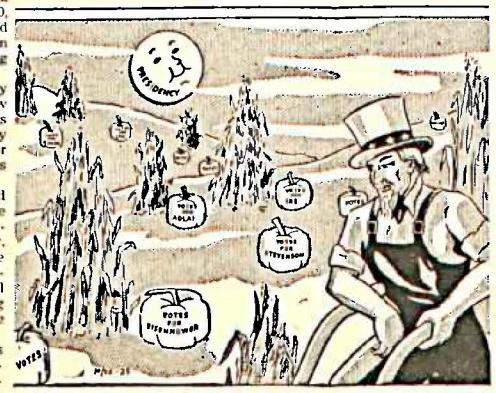
Actually, voter apathy has become almost shocking for a self-governing people. In 1940, nearly two-thirds of qualified electors voted. In 1948, only 1 in 2 persons voted — half staying home.

The facts are plain. But why so many stayed home—or how they would have voted four years ago or will vote this year, if they do vote, is any man's guess, or any Elephant's or Donkey's guess.

It is to be hoped, for the good of the nation, that the 1952 vote will be huge and truly representative. That's good democracy. As to the final verdict, only the mysterious voter holds the answer—and he's saving that till the braying and the trumpeting are stilled, and he takes the stage.

Which is what gives politics its color and excitement. No mystery drama could hold public interest if the last act were put in first!

Harvest Moon



Your Child Is Guarded To School And Back—If You Take Your Share

Many parents who aren't should be asking themselves these pertinent questions:

Who is looking out for my child once he is on the way to school? How is this responsibility shared? What safety precautions guard him against danger?

Grove school executives cite their guide as to these responsibilities. Check to make sure you are accepting your full share.

Safety of pupils on school buses is a matter of shared responsibility.

THE STATE DEPARTMENT OF EDUCATION is responsible for establishing rules and regulations concerning:

The safe transportation of pupils;
The licensing of bus drivers;
The safety equipment required on all school buses.

THE STATE HIGHWAY PATROL is responsible for:

Testing, certification, and instruction of bus drivers;
Inspecting the safety equipment on school buses;
Assisting school districts in establishing safe bus routes and bus stops.

THE LOCAL SCHOOL DISTRICT ADMINISTRATION is responsible for:

The selection and employment of competent drivers;
The purchase and maintenance of safe buses and equipment;
The establishment of safe bus routes and bus schedules;
The adoption of safety rules and regulations for buses and bus drivers to meet local conditions.

Note: The school administration has no responsibility for private or charter buses, or any buses not owned by the Lemon Grove School District.

THE SCHOOL BUS DRIVER is responsible for:

Operating the school bus in a safe manner at all times;
Reporting all discipline cases to the principals of the schools. (He is not responsible for handling discipline problems);
Stopping the bus at any time the behavior of the pupils causes a hazard to safe driving;
Seeing that the bus is never loaded over the legal capacity; for example, Bus No. 1, 57 passengers, and Bus No. 2, 50 passengers.

THE SCHOOL PRINCIPAL is responsible for:

The proper handling of discipline cases or infractions of safety rules.

PARENTS AND TEACHERS are jointly responsible for teaching pupils safety rules to be observed while riding school buses.

Propositions Two and Twenty-Four Supported

The San Diego County School Trustees Association, at four regional meetings held at Vista, Chula Vista, El Cajon, and Ramona voted to endorse Propositions Two and Twenty-four, which will appear on the November ballot. "Our endorsement of these two propositions," said Mrs. Martha Thompson, President of the Association, "which so greatly affect the well-being of our schools, stems from the obvious need of school districts throughout the state for increased finances with which to build a better educational program for our children."

Propostion Two concerns raising state support for public schools from $120 per year for each pupil in average daily attendance, to $180 per year, while Proposition Twenty-four calls for a $185,000,000 bond issue to aid needy districts in the construction of much-needed classrooms.

Students To Bring Used Clothing For Korea Children

More than 900 California county, city and district school superintendents were today invited to participate in the eleventh annual Save the Children Federation clothing drive for one million pounds of wearing apparel for needy youngsters in Korea, Europe and the United States, Dr. John R. Voris, California State director announced.

Every school child in California will be asked to take part by bringing usable garments to school during the first week in December. The clothing will be processed for shipment to the various critical areas where SFC representatives will distribute them.

In some sections of California the federation will share a portion of the clothing with parent-teacher associations for distribution to needy children locally.

Other Save the Children Federation activities include school sponsorships, child sponsorships and baby sponsorships in which individuals or groups provide a fund from which the federation extends needed service.

Those desiring information regarding the federation's program may apply at the west coast headquarters, 606 South Hill street, Los Angeles, Dr. Voris said.

STAR WITNESS . . . Ellis Slack, head of justice department's tax division, testifies before Chelf committee in Washington that he never did anything to hinder the return of an indictment in a St. Louis inquiry into tax-fixing.

Smokey Reports

Fires during past week	10
Fires to date this season	508
Fires to date last season	453
Acres burned this season	2,854
Acres burned last season	2,540
Structural damage	$269,565

Howdy Folks:

I've been asked by the Forestry boys to commend the hunters of San Diego County for their fine record thus far this season in avoiding fires in our wooded areas. I realize the hunting season is not yet over and we could still have some east wind weather, but I hope you'll all keep up the good work.

A fine example of control burning has been taking place up on the Mirasol Ranch near Ramona. Ewing Rose, the manager of the Mirasol is clearing some 400 acres of brush land, in preparation for seeding it to grass in a convers on program of from brush to pasture land. The State Division of Forestry has been assisting with standby crews and technical advice.

I'm not an insurance salesman and this is not intended to sell insurance, but recently we had an example in the county where liability insurance would have come in mighty handy. Damage to pasture land and fences amounted to better than $3,000 when a fire spread from one ranch to a neighboring ranch.

Solution Must Be Found

SACRAMENTO—Positive solutions to the state's traffic accident problem will be the chief objectives of the annual California Traffic Safety Conference, slated for October 2-3 in Sacramento.

Conference Chairman Earl Lee Kelly today said more than 700 delegates, leaders in transportation, law enforcement, education and allied fields and representing every section of the state, will attend.

Conference sessions will be held simultaneously in seven different divisions — education, engineering, enforcement, public information and public support, motor vehicle administration, legislation and commercial vehicles.

In addition, said Kelly, there will be a teen-age session where students will study the problem from their own angle and come up with their own recommendations.

"Besides evolving plans which public officials, educators and civic and business leaders can carry out," Kelly said, "we hope to produce a program in which everyone can share.

"The tragic harvest of traffic accidents, which last year took the lives of 3400 Californians and injured 100,000 more, makes it imperative that each of us take a personal part in the efforts to reduce the toll."

Palladium Gaining Wide Acceptance

Wedding and engagement rings created entirely of palladium, a precious metal of the platinum group, are gaining wide acceptance among brides. Although one hundred times rarer than gold, palladium sells in the same price range, making it particularly attractive from an economical standpoint.

WOUNDED KOREAN INFANTRYMAN . . . Two Korean aid men help a Republic of Korea infantryman from a frontline position to a medical aid station after he was wounded during the fierce fighting for the hotly contested central Korean front outpost tabbed Capitol Hill.

Nickel-Copper Alloy Resists Cold

The liquid oxygen tanks used on some guided missiles must withstand high pressures at temperatures as low as 325 degrees below zero Fahrenheit. Many of these tanks are made of "K" Monel, a nickel-copper alloy, as this material's ductility and toughness are unaffected by low temperatures.

Tank-Load Of Metals

In each of the new medium tanks currently being produced for the United States Army there are, in addition to steel and other metals, many hundreds of pounds of nickel.

Public Notices

NOTICE OF HEARING ON PROPOSED AMENDMENT TO COUNTY ORDINANCE NO. 268 (NEW SERIES), AS AMENDED ESTABLISHING THE LEMON GROVE ZONING DISTRICT

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Diego will hold its final hearing on Tuesday, October 28, 1952 at 10:30 a.m., in Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, on a proposed amendment to County Ordinance No. 268 (New Series), as amended, establishing the Lemon Grove Zoning District, by changing the use of certain property within said zoning district (District No. 12, Lemon Grove Section of the Master Plan of San Diego County).

The County Planning Commission after investigation and hearings on the matter as required by law, has recommended that the zoning classification of the following-described land, located within said District No. 12, Lemon Grove Section, Precised Section, of the Land Use Master Plan of San Diego County, be changed from R-2-A Residence District, to C-2, General Business District:

Lot 13 of Subdivision No. 2 of Lot 12 partition Ex Mission Rancho, according to map thereof No. 686, on file in the office of the County Recorder of San Diego County

For further details reference is hereby made to the proposed ordinance, and to the map showing the proposed change, which are on file in the office of the Clerk of the Board of Supervisors, Room 308 San Diego City and County Administration Building, Civic Center, San Diego, California.

By order of the Board of Supervisors of the County of San Diego, State of California, adopted this 7th day of October, 1952.

T. H. SEXTON, County Clerk and ex officio Clerk of the Board of Supervisors
By J. Miller, Deputy

Published in the Lemon Grove Review, October 16, 1952

REJECTS OFFER . . . Premier Mohammed Massadegh announces in Teheran his rejection of the Anglo-American offer for the settlement of the Iranian oil dispute with Britain. He also disbanded guard protecting the Shah.

ROMANCE STOPPED . . . Red officials reportedly squelched the romance in Helsinki of Hungarian swimmer Katalin Szoka (above) with U.S. swimmer Bob Hughes. Katalin was locked in her hotel room until Hungarian athletes were ready to return home

SIGHTING A SNORKEL . . . This Sheaffer pen company inspector is sighting a snorkel, but she isn't looking for a submarine. That's a magnifying glass, and she is making a final inspection of the filling tube on a new fountain pen called the Snorkel. Tube extends and retracts.

Economical Precious Metal

Projectors used in motion picture theatres employ reflectors plated with rhodium, one of the rare platinum group metals. Although its present price is about $125 an ounce, rhodium's high reflectivity, heat resistance and durability make it the most economical metal to use for this application.

Helix High PTA and students have embarked on a 100% membership drive. The plan is to enroll at least one member of each student's family.

Students in charge of the campaign point out that "50c buys an interest in an organization formed solely for the betterment of (our) children."

All Lemon Grove parents with youngsters attending Helix are urged to join.

SAFE!!!

SAFE! That's a fine word and makes you feel good whether you are playing baseball or the game of life. Nevertheless,it is a much more difficult thing to be safe in your everyday life than it is when the baseball umpire makes his decision. While insurance cannot keep you from being hurt or from having your property stolen or destroyed, it can see that you are safe from monetary loss. The many types of insurance protection available to you today make it imperative that you consult a good insurance agency.

OUR ADVICE COSTS YOU NOTHING

A personal number list helps to *speed your long distance calls.....* Whether it's a birthday call to the folks back home, or an important business call across the nation, you'll save time if you give the operator the out-of-town number you're calling, rather than just the name and address. That way, you see, you won't have to wait while she gets the number from "Information" in the distant town. And a free personal number booklet . . . for the local and out-of-town numbers you call most often . . . is yours for the asking. Just call, send a postcard, or drop in to your nearest Pacific Telephone business office . . . and start your personal number list today.

Have you taken advantage of the lower rates on "station" calls when you call long distance? If you tell the operator you'll speak with anyone who answers at the out-of-town number you're calling, you'll find it can mean important savings for you.

Pacific Telephone

"Whatever You Do - Vote YES on 2"

OUR SCHOOLS ARE IN TROUBLE! Because of the inflation, soaring birth rate, and huge out-of-State population increase since the end of the War, most school districts in California today just don't have enough money to make ends meet!

PROPOSITION 2 IS THE ANSWER. Proposition 2 gives school children and taxpayers *both* a break by increasing the State's share of school support—thus keeping our schools open without increasing the tax burden on homeowners.

WE ALL WANT BETTER SCHOOLS. We may differ deeply on election day over candidates and other ballot issues, but we all agree our children's educational needs must be met. That's why Democrats and Republicans, labor, business and farmers, *all* say: *Whatever you do—*

Vote "YES" on Proposition 2

Helix Clan Invade La Jolla With Pipes, Plaids

Highlanders Jar Four SD Teams For 7 Points

by Jerry Dougherty

To recall to mind a more brilliant performance by a high school football team than that by the Highlanders last Friday night, seems impossible.

Every man of Ken Maynard's 15 man ball club did the job of two men. They had to: they were playing against FOUR TEAMS! Never was a team put to greater disadvantage by the platoon system of substitution.

The game opened with Art Meyers running back the Caveman kick-off to his 47 yard line. A pass was good for a 1st down on the Caveman 35. A center drive brought 2 yards. Merk and Crane picked up a 1st down. A penalty against San Diego put the ball on S.D. 25 yard line. Helix penalized to 27. Kelly picked up 5 yards. Merk's punt to the 35 was returned and stopped by Fackrell and Gardner at the 44. A new team of cavemen were sent in, their right and run was smoothered for a 2 yard loss by Hurst, Kennison and other Highlanders, who tore the caveman line apart. A center plunge was stopped after 4 yards by Karl Jordan. Another center drive was halted by Hurst and Fackrell at the 49. The Caveman kick rolled dead on Helix 6 yard line. A fresh squad of Cavemen rushed in. After being held for two downs Merk punted to out of bounds on his 39. Merk knifed through to break up a pass attempt. Crane dropped a right-end runner. A left end 4 yard run ended with Merk and Crane on top. Hurst and Bonilla allowed only three yards for a left and sweep as the first quarter ended.

On Helix 21 yard line a right end run was nullified by a penalty to the Helix 27. Merk and Crane cut an end run to 3 yards. A caveman pass play was good for the first touchdown. Hurst, Merk and other Highlanders rushed in to block the kick for extra point. A fresh S.D. lineup was sent in for the kick-off, which was returned by Kelley to the Helix 39.

Davies, Thomas and McGuire ripped out the center of the line for Karl Jordan to gain four yards. With the dependable Highlanders line holding Merk got off a nice punt to the Caveman 35, Meyers and Merk doing the tackling on the return. With a new S. D. team taking over, Kinnison and Merk smeared a pass attempt. Cedric Jordan intercepted a S.D. pass and raced to the S.D. 44. Cedric Jordan smashed over left tackle for seven yards. Helix punt to S.D. 25 and a fresh S. D. crew sprinted on the field. After three tries S.D. was forced to punt to Helix 40 and returned by Merk to the 50. After the refreshed Cavemen relieved the battered ones, Merk, from a spread formation lobbed a pass to Hurst, who beat his way for 20 yards. From the S. D. 15 Merk snagged a pass and raced over the goal for a touchdown. The kick for extra point was good. At the end of the first half the score: Helix 7, Cavemen 6.

The first half was uphill struggle, and a credit to Ken Maynard, Glen Otterson, Phil Morell and the team, for with limited substitutions they smashed and battered their way to a one-point lead over two first class teams.

In the second half the two-team system employed by the Cavemen began to take telling effect upon the game Highlanders, who, although slowing down never lost their fighting spirit. The Cavemen collected (not earned) a second touchdown. After all, there is a limit to human endurance. Then to make matters worse, two fresh teams were employed to relieve the two battered ones. The fresh squads collected again and again; 33 points to 7. The Highlanders weren't beaten in spirit for they fought back every minute of the game, which ended with a Helix sprint for 20 yards in midfield.

Those responsible for planning league schedules are obviously indifferent to fair play. If ever there was a high school football rule that needed adjusting to give a small club a fighting chance, it is that rule regarding substitutions.

Tonight (Friday) The Highlanders meet a strong La Jolla eleven in the Jewel City. With Helix spirit in fighting trim a slam-bang tussle is expected.

Hegland Seeks Better Schools

"Passage of proposition number 2 will bring far more money into Lemon Grove than is taken out," La Mesa newspaper publisher Sheridan Hegland, assembly candidate, said yesterday. "We need state support, because local property taxes must not be increased."

Hegland has made better schools the top issue in his campaign for election.

"Pioneers gave children a better break than we do nowadays," Hegland said. "At least they gave kids full-day schoolings."

Hegland said he was the only assembly candidate in his district supporting both public school propositions, No. 2 and No. 24.

Carnival Plans And Membership Drive for PTA Topics

Carnival plans and the membership drive were the main topics for discussion when the executive board of the Lemon Grove School P. T. A. met Wednesday evening at the home of Mrs. Robert Brown, 4208 Marion Street. Other reports were made by the program, legislation, parent education, magazine, ways and means, and Helix chairmen.

It was decided that the membership drive poster contest winners from the seventh grade would be announced with the room contest results.

The next meeting of the board will be held on Tuesday evening, November 11, at the home of Mrs. Harold Randall, at which time plans will be completed for the November meeting of the association.

Attending last Wednesday's meeting were Mrs. Robert Beckham, president, and Mmes. F. R. Chapple, Harold Randall, Edward Kinyon, Lynn Upton, Carl Planchon, A. R. Reed, H. G. Hoard, Herman Bryant, C. E. Edenfield, Virgil Danielson, Margaret Darroch, Evelyn Whalen, Loy Holmquist, and Virginia Cornelius. Also present were Ben Schei, Rolland Purves, Burton Jones, and Thomas Brogan.

Annual Thanksoffering At LM Presbyterian

Mrs. Phil West, Missionary to Ethiopia, will be the speaker Sunday evening, in the La Mesa United Presbyterian Church. The occasion for her coming is the annual Thanksoffering Service sponsored by the Violet Gordon Missionary Circle of the Church.

This annual Thanksoffering is all United Presbyterian Churches since 1888 is the once-a-year opportunity for all church people to share in the work of the Women's General Missionary Society in foreign fields and among underprivileged groups in America.

Mrs. West who, with her husband, has been a Missionary to Ethiopia for several years, is in San Diego preparatory to rejoining her husband in the mission field. Mrs. West has been back in America for several weeks recuperating from a broken leg received in an accident in the mission land.

Officers Named To Helix C.S.F.

The newly elected officers this semester for the California Scholarship Federation of Helix High School include: Beverley Howell, Presaident; Brahna Lauger, Vice-President; Tressie Sever, Secretary; Ronnie Backus Treasurer; Suzanne Grey, Social Chairman; Mary Rewicz, publicity chairman; Beverley Howell, Service Chairman; Pat Anderson and James Goodwin, Scholarship Co-Chairmen.

The members include: Allan Anderson, Patricia Anderson, Ronnie Backus, Yvonne Boucher, Catherine Bradshaw, Welsch Burrell, Pat Chiville, Jackie Coyle, Loretta Deeds, Aurora Desibio, Dale Gall, James Goodwin, Suzanne Grey, Myrna Haupt, Beverley Howell, Jim Hutchens, Charles Johnson, Dorothy Judy, Jane Kellock, Brahna Lauger, Patricia Mouillesseaux, Louise Quist, Mary Rewicz, Billie Rhodes, Peggy Suddy, Aileen Schriefer, Tressie Sever, Eric Smith, Ona Steinhoff, Joan Stropple, Marjorie Tripp, Donna Zaisser.

Mary Farrell and John Cornelius Named Jr. Red Crossers

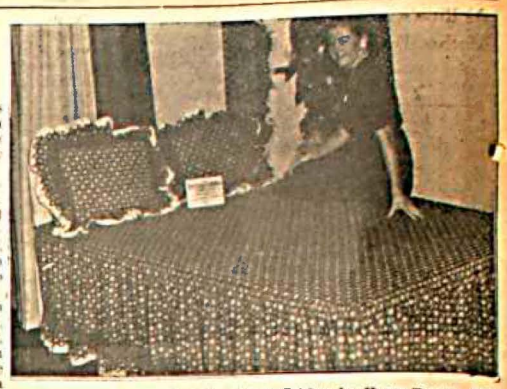
The Junior Red Cross of the Lemon Grove Intermediate School has selected Mary Alice Farrell and John Cornelius to represent the school at council-wide meetings at Red Cross Headquarters, 3650 5th Avenue, San Diego. Delegates will provide their own transportation for the first meeting. Arrangements will then be made for the Red Cross Motor Service to provide transportation to and from the meetings for the delegates.

Mrs. June Mason is faculty sponsor for the intermediate school organization.

Tire Prices Down at Halls

Kenny Hall, operator of a service station at Sweetwater and Broadway reported that he purchased a special assignment of premium quality tires at a special discount.

Actually, they are white wall Dayton tires at a lower than black wall prices. The savings is being passed on to customers, Hall said.



This is the spread to be given Friday by Home Textile, 7970 Broadway, to lucky ticket holders of their latest drawing.

Evelyn Young, clerk, poses with the Brittany spread. A seersucker spread and a tablecloth will also be given.

Drawing is to be at 8 p. m.

St. John of the Cross To Hold Benefit Turkey Dinner Sun.

The ladies of St. John of the Cross in Lemon Grove will sponsor their annual benefit turkey dinner in the parish hall at Imperial and Washington Sts. Sunday, from noon until 6:00 p. m. According to an announcement by Father John W. McDonagh, pastor, the proceeds of the dinner will go into a building fund to provide additional classrooms for the parish school.

Mrs. Bennie Jones and Mrs. James Hammil are co-chairmen of the kitchen, and Mrs. Dorothy Warnimont and Mrs. Teresa Harradon are co-chairmen of dining room arrangements.

Charles Baxter Home for Visit

Charles Baxter, Airforce airman second class, son of Forrest and Helen Baxter, 2925 Buena Vista, is home on a 20 day furlough.

Charles is assigned to Tinker Field in Oklahoma.

Helix Enrollment Gains

Last year at this time there were 1245 students enrolled at Helix. By the end of the year the enrolment was up to 1265 students. This year the enrollment to date is 1420 and is expected to go to 1450.

Grovan Starts Aluminum Screen Business

August Pfeiffer, Jr., 8135 Golden Avenue, has started an aluminum screen business at 6618 El Cajon Blvd. called the Rolando Window Screen Co.

Pfeiffer has lived in Lemon Grove for about a year.

The firm assembles screens and shade screens from prefab material. The product is made entirely of aluminum.

Meet Raymond Alan Ross

There's a new insurance policy waiting for an enterprizing salesman in Lemon Grove. Occasion is birth of a new squeaker to Al Ross, 7371 Mt. Vernon Ave., Monterey Heights.

Al and Kay got the youngster, named Raymond Allan to keep company for James Patrick, the new one's brother.

Raymond met his parents last Saturday at Mercy Hospital at 4:40 a. m., a thoughtless hour for visiting. Kay is a former active Toastmistress.

About the new insurance policy. It'll take a heck of a good salesman because papa is one of the top insurance men in this area.

Edward Borgens Has Church Program

Edward G. Borgens, noted organist, will offer an outstanding organ program Sunday when the Trinity Presbyterian Church dedicates its new organ.

On the program are "Now We Thank All Our God"; "Come Sweetest Death, Come Blessed Rest"; Meditations by Mossenet; Harmonies Du Soir" and "Festival Taccata."

Ardis Plummer, flutist and Jean Moe, cellist will offer the famous Bach chorale, "Jesu, Joy of Man's Desire."

Reverend Chandler will preach at both morning services. Topic is "Behold, the Man."

Stanley Partyka Does It Again

The expanded chest we see in our midst belongs to a proud Stanley Partyka of Spring Valley, whose wife gave birth to a seven lb. four oz. baby boy at the La Mesa Community Hospital, October 7.

The child, Kim James, is the first boy in a family of three girls, Marbeth, 8 yrs., Darlene, 6 yrs., and Lisa ,5 yrs.

The grandparents, Mr. and Mrs. Josephe Partyka and Mr. and Mrs. Daniel Hamilton reside in New Jersey.

Grossmont Community Concert Next Week

A brilliant opening of its sixth season of concerts by Grossmont Community Concert Association is presentation of the Panini String Quartet at Grossmont Auditorium on Monday, 8:15 p. m.

Artists are Henri Temianka, Gustave Rosseels, Charles Foidart and Adolphe Frezin. Their instruments are four fabulous Paganini Stradivarius, and are insured for a quarter of a million dollars.

Members of Grossmont PTA will serve coffee, hot chocolate and doughnuts in the cafeteria following the performance, with proceeds marked for the group's welfare fund.

The curtain time 8:15 is strictly adhered to, with no one being seated during the first group of numbers.

Uniforms for Band 's Lion Project

A total of $112 has been turned over to the Lemon Grove Band Mothers by the Grove Lions Club as the result of a spaghetti dinner given last month at VFW Hall.

According to Bob Von Willer, Lion's president ,the club has underwritten the uniforming of the entire band of the elementary school district.

Other activities are docketed for later in the year to meet this commitment, Von Willer said.

Chicken Festival On Tap In Grove

A "Swanson Chicken Festival" is being conducted this week at the Grove Piggly Wiggly Clarence Milbrodt manager announced.

Demonstrators will give samples of various chicken products and stainless steel tongs will be given with the purchase of Swanson products. In addition, a reduction in price will be offered.

Canned chicken is chicken at its tastiest, Milbrodt stated. Grove housewives have made this type of product a family favorite because of convenience, too, he said.

Look Who's Getting Picture Passes

The following members of the School Safety Patrol from the Golden Avenue and Intermediate Schools in Lemon Grove will attend the Grove Theater matinee this Saturday as the guests of John Van Gilse:

John Mulkie, Bruce Chassy, Gerald Osthimer, Robert Osthimer, David Kunz, Mike Randall, Roy Porter, Jimmy Lankin, Tommy Beebe, Roger Rutherford, David Henderson, and Desmond Cole.

CDA Meeting Honors Miss Kennedy

Court St. Teresa of Avila, No. 1580 of Catholic Daughters of America held their regular meeting Tuesday evening in the Auditorium of St. John of the Cross Church. Rev. John McDonaugh, Court Chaplin led the group in prayer, Mrs. Eleanor McCormick, Grand Regent, presiding.

Following the business meeting, a reception was held in honor of Miss Lillian Kennedy, newly elected District Deputy from Court St. Margaret of Chula Vista. Other visiting members were Mrs. White, Court St. De Alica, and Mrs. Harriet Baumgarten, Court St. Claire.

Mrs. Arlie Osterberg was in charge of refreshments, assisted by Mrs. Annie Heim and Mrs. Teresa Vezza.

The Court adjourned until November 11th at which time initiation of new members will be held.

Mrs. Arlie Osterberg, Mrs. Barbara Rodefer, Mrs. Mary Hall, and Mrs. Eleanor McCormick attended the Initiation Ceremony of new members into the Court Sacred Heart, in Coronado, Friday evening, October 10.

Vista La Mesa School Notes

The second grade a. m. class of the Vista La Mesa School visited the fire station at 7th and B Streets in San Diego last Wednesday with their teacher, Mrs. Snell. Mrs. Howard Bouterious and Mrs. Weikko Lehtonen, parents, also accompanied the group.

When the class returned to school, they wrote letters of their experiences. Ricci Slack, Phillip Lehtonen, Billy Boone, John Lester, and Carol Weeks described the demonstrations given them by the crew and all expressed a desire to return at some future date. The class also sent a letter of thanks and appreciation to the firemen.

The following members of the School Safety Patrol from the Vista La Mesa School will be the guests of John Van Gilse at his Grove Theater this Saturday afternoon, October 18:

Warren Carnie, Jack Fisher, Michael Angus, Stephen Stamper, Donald Johnson, Jon Hoppe, Donald Maxted, and Donald Drummer.

Gray Thoughts As School Convenes

By Elesen West

School again . . . Month of Sighs and Little People.

Sighs of regret from the "back-to-schoolers" and sighs of relief from vacation - harried folks. School again!

For many children, it is the first time away from the home and "first grade" brings a sudden and vital transition from Mama's and Daddy's sun-browned imp to one of the Little People—entering into a Brave New World—excited, pleased and a little scared. — Adults in the making, and as such — terribly and individually important. Par-

ticularly now, the vital adjustment of this new phase whirls confusedly in the minds and emotions of the kindergarten and frist-grader.

Along with new teener cash memes and argyles and highly polished hot-rods, pencil boxes and lunch kits for the underteeners should go true understanding and faith in the new-to-schoolers.

Monterey Heights PTA Discuss Props.

The Monterey Heights P. T. A. meeting attracted about 125 people, John Cornelius, Vice Principal of Grossmont ,spoke on November voting especially in regards to Proposition No. 24 and No. 2. There was community singing accompanied by Mrs. Mariella Spisak who played the piano. The group also agreed to sponsor a Girl Scout Troop. Mr. Buie Polluzi, was the chairman of the program and the Morning Kindergarten Mothers were Hostesses. Refreshments were served.

(POLITICAL ADVERTISEMENT)

Let's Return to COMMON SENSE GOVERNMENT

Consider These Facts:

Every real American is shocked by the political immorality in Truman's Washington. Surveys show that there have been 22 major scandals since Truman became President. This same man is now campaigning vigorously for his alleged successor — Stevenson. Every Democrat at every level is running on the Democratic platform . . . this in itself should be enough of an indictment to eliminate these candidates. Their record is sordid — filled with payoffs, corruption, favors, red tape, waste, scandals, insidious crookedness. The record is sickening.

On the Republican side, the record is also clear, their policies intelligent. Here's just a bit of what they did for you. The 80th Congress launched a program to stop Communism; unified the Armed Forces; authorized a 70 group air force; balanced the budget; accumulated an $8 billion surplus, reduced taxes; . . . with 70% of the savings going to those with incomes under $5000 yearly. Freed 7,400,000 wage earners from paying income tax at all. These are just a few — the REPUBLICANS are working for YOU. They are worthy of YOUR SUPPORT.

IF YOU'VE HAD ENOUGH . . .

Most Licenses Are Renewed

That interest in the real estate brokerage business has by no means diminished is demonstrated by the many thousands of real estate brokers and salesmen who have just renewed their licenses. During July, the first month of the current fiscal year, 89,786 licenses were issued, exceeding the number for the corresponding period last year by about 5,500, or by 6.6 percent.

During the previous year ending June 30, 1952, the Division issued a record breaking total of 98,361 licenses. It is noted that 94.1 percent of the eligible real estate brokers renewed their licenses this year, as compared to 93.4 percent last year, and 84 percent of the eligible salesmen renewed their licenses, as compared with 78.5 percent the previous year.

MANY RENEW AND CANCEL

About two years ago, all licensees were put on notice that they must meet the requirements of the law in respect to maintaining offices and displaying sigs and licenses properly, or else their licenses would be subject to disciplinary action. As a result, there has been a steadily growing tendency to cancel or "inactivate" licenses. Two years ago more than 14,400 turned in their licenses for cancellation or "inactivation," and during this past year more than 19,500 did likewise.

It is particularly interesting to note that of the 51,500 brokers who renewed their licenses this year, 11,747 or 22 percent requested that their licenses be immediately cancelled.

RENEWAL FIGURES NOT FINAL

The above renewal figures are by no means final as the law provides for renewal at anytime during the year upon application and the payment of a penalty fee. In other words, until June 30, 1953, anyone who held an unrevoked licenses for the year ending June 30, 1952, has a right to renew that license. Experience has shown that a considerable number who fail to renew currently do so before their license rights expire entirely, which is at the end of the so-called "one year's grace."

Resists Oxidation And Acids

The resistance of platinum to high temperature oxidation and immunity to attack by most acids led to its use as laboratory equipment.

IKE THANKS HIS HOSTESSES . . . Leaving the airplane that flew him from Washington to New York's Idlewild airport, General Eisenhower shakes hands with plane stewardesses Dorothy Hasson, Mt. Holly, N. J., and Janie Clarey, Oskaloosa, Iowa.

Paying Delayed Commissions

Under most circumstances a broker may compensate a salesman for work completed while in his employ even though the salesman may have terminated his employment with the broker's firm and may even be employed by another broker at the time payment is made.

There are numerous instances where a salesman brings about a meeting of minds and the signing of the sales agreement by the buyer and seller, and then leaves the employ of the broker during the course of the escrow proceedings. As long as his negotiations were completed during the time of this employment, the broker may properly compensate him when the details of the transaction are closed in escrow and the commission is paid.

A similar condition exists when a salesman has an arrangement with his employing broker to the effect that he is to receive a "listing fee" in event any of the listings he obtains are sold by the broker's office. If the salesman has secured listings under this arrangement and leaves the broker's employ before they are sold, the Real Estate Commissioner is of the opinion that the salesman may be paid his earned compensation directly by the former employer even though he has become employed by another broker.

Votes of Men and Women in the Military Service

(EDITOR'S NOTE:—If a man at 18 is old enough to fight for his Country, in our opinion, he's old enough to vote.)

Any man or woman in the military service of the United States who is 21 years old and a resident of San Diego County can vote by absent ballot in the following manner:

Either the serviceman, his parents, relatives or any friend, can make request by letter or otherwise to Lex Lord, Registrar of Voters, 4005 Rosecrans Blvd., San Diego, California, telephone W-6321, that an affidavit of registration and an absentee ballot be sent to the person in military service. The local address as well as the military address should be given. The Registrar of Voters will immediately mail to the person in the service an affidavit for registration and an absentee ballot. The serviceman can fill out his registration and mail it in an envelope provided to the Registrar, and mail his ballot in a separate envelope. It need not be notarized. Only the signature is required. It is only necessary that the ballot be voted before November 4th, even if it is not returned until the following two weeks.

All military personnel should vote in this important election. Those having relatives and friends in the military service should make sure they are provided this opportunity.

ADLAI RECEIVES GOLD . . . The whiskered gentleman at left is Bill Collins, mining prospector from Angels Camp, Calif., who came to Merced, Calif., to present a small vial of gold to the governor of Illinois, Adlai Stevenson, as the Democratic nominee's train stopped at Merced en route to Los Angeles. The governor is just turning to the crowd to introduce the prospector whom he met at the Chicago railroad fair in 1949.

Golden Avenue PTA Have Big Turnout

The teachers had the floor at the Golden Avenue School last Thursday night. They told the large attendance at the Golden Avenue October PTA meeting what to expect of the pupils of each grade and how the parents could best help them.

The teachers participating in this very enjoyable program were: Mrs. Mulkey, Kindergarten; Mrs. Tuthill, Pre-first; Mrs. Bengston, 1st; Mrs. Rogers, 2nd; Mrs. McBroom, 3rd; Mr. Firteh, 4th; Mr. Cornelius, 5th. They explained how the very young child is graded by his mental, physical and emotional development and unless he matures satisfactorily in all the child is unprepared for advancement. When the real readin', writin' and 'rithmetic come into the curriculum, grade levels as such, tend to disappear, the grades merging into each other, merely continuing and developing the fundamentals begun previously.

Mrs. T. A. Keeton presided over the business meeting preceding community singing led by Mrs. Krimsky. The program followed and after the meeting adjourned the 5th grade Mothers served doughnuts and coffee.

Laguna Mountains Art Show by Area Artists

La Mesa Foothills Art Association exhibit will open Saturday in the Blue Jay Lodge, Mt. Laguna, and will run until November 2. The exhibit will be open each day from noon until 9 p.m. with Christine Stonsbarger (Christone) serving as hostess on weekends and other members serving from time to time. The exhibit will be under the general supervision of the lodge hosts, Nick and Renee Sutherland, and Grace Jones and Helen Hill of the association.

The paintings will range from 16x20 upward in size and will vary from water color to oils to "blacklight" paintings. This interesting exhibit of abut 75 paintings is open to the public, no admission charge.

'Doctrine of Atonement' Christian Science Sunday Sermon

New light on the sometimes involved theological subject of Atonement will be given in all Christian Science churches in the Reading of the Lesson-Sermon entitled "Doctrine of Atonement."

Paul's statement to the Corinthians (1:18) constitutes the Golden Text: "The preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God."

Noted Musician Opens Study Center

A building, dedicated to music, has been opened at 3137-39-41 El Cajon Blvd. by Jack Epstein, noted San Diego musician and teacher.

The building will be known as the San Diego Music and Arts Building and will house many concerts in addition studios for teaching.

Epstein, member of the American Guild of Musical Artists, will specialize in voice and organ training, he said.

Bulen Against State Aid for Schools

Speaking before the San Diego Civic club Tuesday, October 14th, Ed Bulen, Republican candidate from the 77th district for the state assembly, made the definite and positive assertion that he is against proposition No. 2, which increases the state aid to schools, based on the average daily attendance. He cleared up any doubts along that line which might be held in the minds of the voters of the district.

Music Classes For Adults To Open

A class in Music Appreciation will open at San Diego Evening High School on Wednesday, October 22. The class will meet each Wednesday night at 7:30. The course has been made possible by a generous gift from a former student, Mr. John Gomez, who last spring gave the school an excellent collection of classical record albums. These records will be used as a basis for the course.

Music Theory and Harmony will also be offered on Wednesdays from 6:30 to 8:30 p.m. This class will emphasize elementary music study.

Congregational Church Notes

The San Diego Association of Congregational Churches will have its Fall meeting at the Ramona First Congregational Church in Ramona on Sunday, October 19, at 3:30 p.m. All members and friends of the Congregational Church are invited to attend.

Men's Fellowship potluck dinner and meeting Tuesday, Oct. 21, at 7:00, in Friendship Hall.

Mr. W. E. Rife, (Bill Rife) of 2040 Dayton Drive, Lemon Grove will give the sermon at all three services this Sunday, Oct. 19, at the First Congregational Church.

GUIDED MISSILE CHIEF . . . Lt. Commander Lawrence A. Kurtz, commander of the Korean guided missile tests, says the U.S. could conduct continent-to-continent guided missile bombing—and could use atom bombs.

Local Homemakers Invited To Adult Classes

Grove residents are invited to classes in efficient home management at San Diego evening high school by Floyd McCune, principal, who lives at 2910 Cypress in Lemon Grove.

Learning to attain maximum speed and efficiency in expenditure of time, energy, and money, and to help reduce expenditures for food, clothing, and other household expenses are the major aims of the new course.

The fact that today more women are working outside the home than ever before, plus the steady rise in the cost of living should make this course of practical value to many homemakers.

Three major fields will be covered: Time and Energy Management, Management of Family Finances, and Food Management.

The course will be taught by Norita Comin, former teacher of Home Economics at State College. The class is scheduled for Wednesday evenings at 7.

Ancient "Nickel"

The composition of certain coins issued over 2000 years ago by the Bactrians, an ancient Asiatic people, is strikingly similar to the present United States five cent piece. The Bactrian coins, when analyzed, were found to contain 75% cupper and 25% nickel, the same as the U. S. "nickel."
